Re: Freedom of Information Act Request EPA-HQ 2016-002676

Dear Ms. Anderson:

This is in further response to your January 11 request for a copies of data on imazamox in water, data on imidacloprid in water and copies of peer reviews of both. In a March 1 response, you were provided copies of all available Agency reviews/Data Evaluation Records for the studies cited on the imazamox and imidacloprid bibliographies provided to you in my February 1 response. Also, in my March 1 response letter, you were asked to contact me within 5 business days if you required additional information related to your request. Since we did not hear from you within the timeframe provided, we will assume that the records provided to you in response to your request were satisfactory, therefore, no further action will be taken and your request has been closed.

This concludes our response to your request. You may appeal this response to the National Freedom of Information Officer, U.S. EPA, FOIA and Privacy Branch, 1200 Pennsylvania Avenue, N.W. (2822T), Washington, D.C. 20460 (U.S. Postal Service Only), FAX: (202) 566-2147, Email: <https://FOIAonline.regulations.gov>. Only items mailed through the United States Postal Service may be delivered to 1200 Pennsylvania Avenue, N.W. If you are submitting you appeal via hand delivery, courier service or overnight delivery, you must address your correspondence to 1301 Constitution Avenue, N.W., Room 6416J, Washington, D.C. 20001. Your appeal must be made in writing, and it must be submitted no later than 30 calendar days from the date of this letter. The Agency will not consider appeals received after the 30 calendar day limit. The appeal letter should include the subject request identification number. For quickest possible handling, the appeal letter and its envelope should be marked "Freedom of Information Act Appeal."

If you have any questions, please feel free to contact me at (703) 305-6445, or by email at bressant.janet@epa.gov.

2

Sincerely

A handwritten signature in black ink, appearing to read "Janet Bressant". The signature is fluid and cursive, with the first name "Janet" being more prominent than the last name "Bressant".
